

Compliance is Our Business

To whom it may concern:

This is a letter to recommend Sheryl Dinkel for a position in any capacity in the graphic design field.

I have worked on a professional basis with Sheryl for almost 2 years and have been very pleased with every bit of her work. Sheryl has a true gift of endless creativity and insight. She is able to express with brilliant images what is difficult to for me to express with words. She turns thoughts into art.

I recall several jobs that I needed a quick turn-around. I gave Sheryl the briefest of concepts over the phone and had several designs in my inbox by morning. I am always surprised that the turn out is right on each time. One tweak, maybe two and it is print ready.

Sheryl has been a joy to work with, very prompt and follows-up on a job or a proof and keeps things moving the right direction.

Sheryl has created several logos, signs, photographic works, business cards, letterhead, envelopes, brochures, postcards and illustration. She has helped with layout and verbiage. Sheryl has great working relationships with other professionals in the field that have proven to be instrumental to my business.

Lastly, 2 years ago when I was looking for an illustrator, I went to an in-house professional in the marketing department where I worked. My colleague immediately told me to call Sheryl and gave me a glowing review of her talents. I hope my reference for you will be as helpful as it was for me.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Schaper", written over a circular scribble.
