

To Whom it may concern,

It is with pleasure that I write this letter of recommendation for Sheryl Dinkel.

As the Creative Services Manager for YRC Worldwide, I had the good fortune of managing Sheryl as a designer within our department for over 6 months and I can say without hesitation that she is an extremely talented and highly organized designer.

Sheryl produced a wide variety of design projects while employed at YRC Worldwide. Because of Sheryl's attention to detail, she was entrusted with some of our most complex design/production pieces like: the calendar line, business cards, collateral and the large scale specialty designs for the sides of tractor trailers. As a manager, I never had to worry about the project not being completed on time or that there would be difficulties printing the piece.

Sheryl is the consummate designer with a passion for pleasing the customer and getting it right. I am sure that she will be as much a benefit to your organization as she was to ours. If there is any other information you would like regarding Sheryl's capabilities, please do not hesitate to contact me.

Sincerely,

Creative Services Manager
